

Feel like
you're losing
control?

So simple an adult can use it...

Don't lose control,
lose the remotes!

Free your coffee table of all the different remote controls & replace them all with a one touch screen control pad with easy to follow icons and buttons.

Control the TV, Amp, Satellite receiver, DVD, Lights or Air Con at the touch of a button.

We offer all in one programmed solutions for as little as €99.99
